CARFAX Glossary

Failed Emissions Inspection
The emissions check performed during a vehicle inspection indicated the vehicle was emitting more than allowable emissions standards and/or had missing or modified parts. Repeated failed emissions records can indicate engine problems and CARFAX recommends you have the vehicle inspected.

First Owner
When the first owner(s) obtains a title from a Department of Motor Vehicles as proof of ownership.

Inspections
Many states or counties require annual or biennial emissions and/or safety inspections. Odometer readings are collected at the time of the inspection.

Manufacturer Buyback or Lemon
A DMV or a state agency marks an official document or issues a Manufacturer Buyback/Lemon title when a vehicle has been repurchased by the manufacturer. Not all states issue manufacturer buyback titles and the specific requirements for a lemon law vehicle vary by state.

New Owner Reported
When a vehicle is sold to a new owner, the Title must be transferred to the new owner(s) at a Department of Motor Vehicles.

Ownership History

CARFAX defines an owner as an individual or business that possesses and uses a vehicle. Not all title transactions represent changes in ownership. To provide estimated number of owners, CARFAX proprietary technology analyzes all the events in a vehicle history. Estimated ownership is available for vehicles manufactured after 1991 and titled solely in the US including Puerto Rico. Dealers sometimes opt to take ownership of a vehicle and are required to in the following states: Maine, Massachusetts, New Jersey, Ohio, Oklahoma, Pennsylvania and South Dakota. Please consider this as you review a vehicle's estimated ownership history.

Title Issued
A state issues a title to provide a vehicle owner with proof of ownership. Each title has a unique number. Each title or registration record on a CARFAX report does not necessarily indicate a change in ownership. In Canada, a registration and bill of sale are used as proof of ownership.

Vehicle Reacquired
A vehicle that has been repurchased by the manufacturer. Manufacturers may choose to buy the vehicle back from a customer after repeated repair attempts or to promote customer satisfaction.
